Presented by **Dan Cullum, DDS**

Minimally Invasive Dental Implant Surgery – Making the Most with the Least!

Presentation will focus on immediate implant placement, crestal sinus elevation and bone augmentation utilizing minimally invasive techniques. Using dynamic navigational surgery, CBCT diagnosis and treatment planning will demonstrate classic and advanced techniques based on the residual bone, technology available and surgeon preference. Participants will gain understanding to master advanced skills with minimally invasive techniques for predictable patient centered outcomes!

Dr. Dan Cullum completed his DDS with distinction at the University of Alberta, Canada and residency training at Westchester Medical Center, New York. Dr. Cullum is a Diplomat of the American Board of Oral and Maxillofacial Surgery and is on faculty as a Visiting Lecturer at Loma Linda University, Department of Oral and Maxillofacial Surgery and UCLA, Department of Oral and Maxillofacial Surgery. He speaks internationally and has contributed articles, textbook chapters and a textbook on minimally invasive implant reconstruction. Dr. Cullum has served in leadership roles at national, state and local societies. At Implants Northwest (Coeur d'Alene, ID), he practices Oral and Maxillofacial Surgery with emphasis on immediate and minimally invasive techniques in esthetic implant reconstruction. Dr. Cullum is also president of Implants Northwest LIVE Learning Center, which emphasizes training in advanced techniques for surgeon/restorative teams using LIVE surgery and hands-on application in a small group environment.

PDA is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between PDA, OMSNIC and PSOMS. PDA designates Dr. Cullum presentation for eight (8) continuing education credits.
